# TRICK & TREATMENT

How fantastic to find a West End-standard salon in South London. My Unique Facial at the Mother Earth Beauty Salon in Crystal Palace began with a chakra-point massage, followed by a cleanse, tone, exfoliation and steam using Matis products.

Then the Unique Mask with rejuvenating wheatgerm and caviar was applied over a gauze. It must work because next day two people told me my skin looked fabulous. £55 for 75 minutes, 42 Westow Street, SE19 ([www.motherearthbeauty.com](http://www.motherearthbeauty.com)). **GH**
